## Train fares

All commuters are charged a fare according to the total distance travelled on the bus, MRT and LRT. With the introduction of distance fares, you can make transfers without having to pay a boarding charge for every transfer that makes up your journey.

### Calculate train fares or find out more about our stations

1. To calculate your train fare, **select your boarding and alighting points** from the map
2. For **information about station** amenities, first and last train times, and shopping and dining options at that station, select a station from the stations tab
3. Click on any line tab to view only the line selected
4. To **save** a copy of the MRT Network Map [click here \(/Portals/0/PDFs/Trains/NetworkMap22Dec13.pdf\)](/Portals/0/PDFs/Trains/NetworkMap22Dec13.pdf)
